The bite of a genetically altered spider granted high-school student Peter Parker incredible arachnid-like powers! When a burglar killed his beloved Uncle Ben, a grief-stricken Peter vowed to use his amazing abilities to protect his fellow man. He learned the invaluable lesson that with great power there must also come great responsibility!

Now the fledgling super hero tries to balance a full high school curriculum, a night job as a web designer for the Daily Bugle tabloid, a relationship with the beautiful Mary Jane Watson, and swing time as the misunderstood, web-slinging Spider-Man!

Norman and other villains, including Electro, escaped imprisonment from the Triskelion, the former home of the world's premiere superteam, the Ultimates.

Norman ran to the press and told the world he was illegally arrested and detained by Nick Fury, head of the international espionage agency S.H.I.E.L.D., and that his son and company were taken away from him for no reason.

Peter and MJ were on a date when they happened to see the broadcast...

I know it's a long shot, but...

Let's see if he's home.

I *know* he's not. He's not *that* crazy...

What if
Osborn is right?
Right about

No. No.
That's not
true.

Nick Fury
arrested him
after he
attacked--

Sir, *Osborn*

Sir. Please--

Captain
